

The background is an abstract composition of organic, flowing shapes. It features a dominant deep red color, with large, dark, almost black, curved areas that create a sense of depth and shadow. A sharp, triangular wedge of bright green is positioned in the lower right corner, providing a strong color contrast. The overall effect is dynamic and modern.

NOCTIS

ABOUT

Noctis is an annual publication that embodies a new generation of thinkers providing a platform for marginalised communities, drawing inspiration from innovative youth cultures and their impact on art, fashion, and music. We are a collective of ideas that embody today's generation giving a voice to young creative talents that may have not been given the spotlight previously. Favours true style and unique individuals over fleeting trends, we seek out artists and cultural leaders spreading a positive message for the generations of today and tomorrow.

We are a multi-channel media outlet incorporating original content from around the world, captivating a vast readership of activists, avant-garde creators, and unique thinkers. Our body of work pushes boundaries with high-end fashion editorials, well-profiled music artists, graduate artists, LGBTQ+ art, fundamentally expressing themes from past, present, and future.

Our current issue Noctis XXII dedicated to the game changers, creative disruptors, and new leaders with exciting ways of navigating life. Spotlights pioneering artists, social advocates, and fresh talent trailblazing their way through the industry, creating opportunities, and inspiring future generations to come.

Jesy Nelson on debut solo single BOYZ: 'You're either going to love it or hate it'

Jesy's first single after leaving Little Mix is expected to arrive in the next few weeks.

By Rob Copsey | [Twitter](#)

Jesy Nelson has opened up about her upcoming debut single, titled BOYZ. The track, which is expected to be released in the next few weeks - is Jesy's first solo offering after parting ways with Little Mix last December.

Describing the song as "in your face", the recording artist also hinted that it may provoke a strong reaction from her fans upon its eventual release.
